2025-2026 Booking Periods

Season	Opening Date			
	Easter 2026 (March/April)	2025 Snowsports (June to October)	Xmas 2025 / New Year	All Other Times
Member Bookings	10 February 2025	10 February 2025	10 February 2025	Anytime (up to 12 months in advance)
General Bookings	27 November 2025	6 March 2025	21 August 2025	Anytime (up to 12 months in advance)

- ❖ The Munjarra Online Booking System (www.munjarra.com.au) is the preferred method of booking to stay at Munjarra and is available to make a booking at any time.
- ❖ There is a three-week Member Booking exclusive period from 10 February 2025 to 27 February 2025 where members can preferentially book to stay at Munjarra lodges during any season or at any time until 4 June 2026. All bookings will be blocked from 28 February 2025 until 5 March 2025. General Bookings open from 6 March 2025 for bookings during any season or at any time until 4 June 2026. The exception is bookings for Christmas 2025/New Year and 2026 Easter for which general booking open 21 August 2025 and 27 November 2025 respectively.
- ❖ The Munjarra Online Booking System will be configured to accept online bookings per the dates above. The Booking Manager will only be available to take telephone enquiries from the Opening Date indicated in the Booking Period table. Please do not phone before this date.
 - All booking applications received prior to the Opening Date (Online and Manual) are deemed to have been simultaneously received on the Opening Date.
- ❖ Manual bookings will still be accepted through the previous process (email or post), however a \$25 administration charge will apply per room booking for each stay + transaction fees.
 - If a manual booking is made for a week in winter, a week at Xmas and a week at Easter – being 3 separate stays, then 3 x \$25 = \$75 would apply. If a manual booking is made for two separate stays during winter – say first week at Thredbo and the next week at Perisher, then 2 x \$25 = \$50 would apply.
 - The manual booking charge is per room booking per stay, so the example above would apply for each room booking.
- ❖ Bookings made during the General Booking period are processed in the order they are received by the Online Booking System.

Note the Booking Manager will be entering manual bookings into the Online Booking System on behalf of the manual booking requester, so a manual booking may no longer be available if the Online Booking System has accepted a booking prior to the Booking Manager entering the manual

booking.

- ❖ Members, Associate Members and Senior Associate Members may book for a Non-Member companion sharing the same room to accompany them to the lodge for up to one week of each Season in the above table (per year) at Member rates. Companion bookings will be accepted during the Members Booking period.
 - Note: The Non-Member companion discount is not available to Member Children, however Member Children are eligible to become Associate Members and can then receive the companion discount. Refer to the Associate Member rules.

Booking Applications

- ❖ Booking standards are as follows:
 - Weekly bookings are from Saturday to Saturday
 - 5-night bookings (at Weekday discount rate) are only available for Sunday to Friday stays
 - Daily rates and surcharges where applicable will apply to weekends and all other periods less than one week.

- ❖ All manual booking applications received prior to Opening Date (before 7 February 2023) will be deemed to have been received on Opening Date regardless of when they are submitted.
- ❖ From 28 February 2025 the Booking Manager will determine any times when accommodation is overbooked. The Booking Manager will contact impacted Members and conduct a ballot of Member bookings when required (i.e. excluding any accompanying Non-Member bookings received).
- ❖ If any rooms remain available immediately following the Members ballot, a ballot of accompanying Non-Member's bookings will take place.
- ❖ Note all bookings received prior to Opening Date cannot be confirmed until Opening Date.
- ❖ On Opening Date, booking applications from Non-Members will open. Bookings will also continue to be accepted from Members. From the Opening Date all bookings will be accepted as they are received and will be according to availability of rooms.

Overbooking Procedure (including Ballot)

Overbookings which may arise during the Member Bookings period will be resolved as follows:

1. The Booking Manager shall inform each impacted Member of the overbooking and indicate to impacted Members the Booking Manager intends to hold a ballot on a specified date (during the first week of March).
2. Prior to the specified ballot date, impacted Members can withdraw their booking and obtain a full refund.
3. On the specified ballot date, the Booking Manager will determine whether an overbooking scenario still exists and if so, the Booking Manager will conduct a ballot on the following basis:
 - a. The Booking Manager will allocate rooms for Members, Associate Members and Senior Associate Member with valid priority from an earlier year (i.e. as they missed out on their booking under a previous ballot) and determine the available remaining space.
 - b. Select and include all Members participating in the ballot. (A family consisting of a Member plus Associate Members and/or Senior Associate Member will be consolidated to a single booking attached to the Member for purpose of the ballot).
 - c. Bookings will be drawn sequentially until there are no remaining rooms available to accommodate the size of the booking which corresponds to the bookings drawn (including the accommodation needs of any Associate and Senior Associate Members consolidated to the Member booking).
 - Note – where the size of a Member booking (e.g. due to inclusion of Associate and Senior Associates) exceeds remaining available room space, that Member booking will be unsuccessful, and the Booking Manager will re-draw from the ballot until an acceptable size Member booking is drawn. The unsuccessfully drawn Member(s) will be given highest priority the following year.
 - d. Repeat step (b) and (c) for the second-round ballot comprising Associate Members
 - e. Repeat step (b) and (c) for the third-round ballot comprising Senior Associate Members
 - f. Members, Associate Members and Senior Associate Members who do not receive a room under the ballot process described in steps (b) to (e) will be given priority as per step (a) the following year.

From the specified ballot date provided by the Booking Manager, participants in the ballot are NOT entitled to change dates, change the Member making the booking or request a refund of accommodation charges. Ballot results are personal to the successful participating Member. Ballot results are NOT TRANSFERABLE in any way.

4. Members who were unsuccessful in a ballot for the coming year will be fully refunded AND entitled to priority during the equivalent corresponding Season of the following year. Priority is personal to the participating Member, which can be deferred for up to three years.

Overbookings during the General Period will be resolved by the Booking Manager at the time of occurrence. The Booking Manager will endeavour to prioritise Members above Non-Members.
